Principal's Update:

- Construction updates-Playground done! New surface put on playground. Shade structure repaired. Track will be repaired soon. Roof is still being repaired due to metal not being available. March is the current goal for metal and other roof repair issues to be dealt with.
- Data Report-attached-Focused on first grade and improvements have been made. Scores are looking fantastic for first and second grade readers. Gains across the board in both reading and math.
- Minds and Hearts- Social/emotional support has been in the forefront for all teachers and staff. Positive Post-It Notes were passed out today. A child is more than what they know in their brain-heart is an important part of the whole child!
- Read Across America- Vocabulary Words is our new focus instead of the book characters. Discussion about what the Parade would look like

PTO Update:

- Homecoming next event for PTO. Spirit week participation, vote on middle school doors and book fair.
- Father/Daughter Dance very successful.
- Used book fair raised about \$750.00 per library.
- Chick-fi-la was successful for spirit night raising \$465.

New Business:

- Fundraising Focus- List of requested items was looked at. It was proposed the theme for next year be "Funding Minds and Hearts" for chrome carts, murals, and flexible classroom furniture. The fundraising goal will be \$12, 500.00 for next year. Mural money should be chosen right away. We will work to get her line up.
- Accreditation- Eliot Visit-All school systems go through this process if they want accreditation. Twenty minutes of time devoted to visiting a classroom. Only looking at learners and looking at seven units of learning. Scores for each seven indicators.
